

**ONE-OFF OPPORTUNITY TO BUY MORE
COPIES OF MISHKAN T'FILAH AT A
MASSIVE REDUCTION...AND RAISE
FUNDS FOR YOUR CONGREGATION**

Dear Congregational Board Member,

The current edition of our region's Mishkan T'filah is the **only version** especially prepared for our region. There are many differences between it and the US edition.

UPJ in conjunction with  has acquired the **final stock** of the books and they are now in storage in Melbourne.

Another edition is not expected for about 20 years.

When these books are sold, THAT IS IT. There will be NO MORE available.

This is the FINAL OPPORTUNITY to purchase the books, both for your congregation and for your congregants to buy their own copies.

THEY ARE NOW AVAILABLE FOR ONLY \$20.00 PER BOOK

FUNDRAISING IDEAS

- Run a campaign for your congregants to buy a batch of 10 books, for use by the congregation and insert a front page where they can honour family members.
- Sell books to members at a mark-up of \$25. They gain because the books are a must-have and will add greatly to their Jewish experiences and the price still represents a large discount on the original price.

TO PROCEED FURTHER, send an email to neil.crompton@tbi.org.au
\$20.00 price is plus postage.
